

DECLARATION AND POWER OF ATTORNEY - for use with sole or joint patent application
accompanying or not accompanying the application papers

ICR NO. 9259.0-00

I/We the undersigned declare that the information (in items 201 to 205 and 301) below is true, that I/we acknowledge my/our duty to disclose information of which I/we am/are aware which is material to the examination of this application, that I/we believe that I/we am/are the original, first, and sole/joint inventor(s) of the invention described and claimed in the specification ☒ attached ☐ of my/our patent Application Serial Number _____ filed _____, that as to common subject matter of this application and my/our earlier United States of America application(s), if any, described in item 185 below, I/We do not believe that the same was ever known or used in the United States of America before my/our invention thereof, or patented or made the subject of an inventor's certificate or described in any printed publication in any country before my/our invention thereof, or more than one year prior to such earlier application(s), or in public use or on sale in the United States of America more than one year prior to such earlier application(s), that the said common subject matter has not been patented before the date of such earlier application(s) in any country foreign to the United States of America on an application, filed by me/us or my/our legal representatives or assigns more than twelve months prior to such earlier application(s) and that no application for patent or inventor's certificate on said common subject matter has been filed by me/us or my/our legal representatives or assigns in any country foreign to the United States of America except those identified in item 600 below, if any; that, as to any subject matter of this application which is not common to any of said earlier application(s) (non-common subject matter), I/we do not know and do not believe that the same was ever known or used in the United States of America before my/our invention thereof or patented or made the subject of an inventor's certificate or described in any printed publication in any country before my/our invention thereof or more than one year prior to that date of this application, or in public use or on sale in the United States of America more than one year prior to the date of application, and that said non-common subject matter has not been patented in any country foreign to the United States of America on an application filed by me/us or my/our legal representatives or assigns more than twelve months prior to the date of this application; and that no application for patent or inventor's certificate on said non-common subject matter has been filed by me/us or my/our legal representative or assigns in any country foreign to the United States of America prior to this application except those identified in said item 600. I/We acknowledge my/our duty to disclose information of which I/we am/are aware which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a).
